## FISCAL ANALYSIS

### ASSUMPTION

**Camden County Commission** assumes this proposal would be permissive for counties with a township form of government and would have no fiscal impact.

**Oversight** assumes this proposal is permissive and would have no state fiscal impact. Counties would have no fiscal impact without action by their governing body with voter approval.

| <u>FISCAL IMPACT - State Government</u> | FY 2001<br>(10 Mo.) | FY 2002 | FY 2003 |
|---|---------------------|---------|---------|

| <u>FISCAL IMPACT - Local Government</u> | FY 2001<br>(10 Mo.) | FY 2002 | FY 2003 |
|   | \$0                 | \$0     | \$0     |

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### DESCRIPTION

Under current law, a county commission is authorized to appoint a temporary planning commission. The temporary commission creates a planning proposal for the county that must be approved by the voters before implementation. This bill allows temporary planning commissions for townships. The temporary plan will only affect the township.

The members of the temporary township planning commission will be the highway engineer, one person appointed by the county commission, and 3 residents of the affected township. If the plan is approved by the voters, a 3-member township commission is elected at the next countywide election. The county highway engineer is an ex officio member of the commission.
